By completing this order form I understand that I am purchasing a share of a pig that has not yet been butchered, as per USDA regulations. Butcher date is set for the end of November. I will be contacted by a representative of Wensleydale Cottage Farm to arrange pickup of my share when it is ready. I consent for a representative of Wensleydale Cottage Farm to arrange transport, butchering, and wrapping of my meat share, according to my cut preferences above.

Please arrange payment by emailing your order form to wensleydalecottage@gmail.com Fixed price shares must be paid in full up front to receive discounted price above. Traditional shares require a nonrefundable deposit of \$20, with remainder to be paid at time of receipt.

Share prices are final and include all processing, transport, and wrapping fees. Final price of traditional shares will be charged based on animal weight, at price per pound above, but will still include all processing, transport, and wrapping fees. 1/2 pig share expected to be 50+ pounds of meat.
