

2019 CSA Shares

Thank you for your interest in supporting local agriculture by committing to purchase a weekly share box for the growing season. Weekly boxes will include organic produce currently in season and a dozen free-range eggs.

We are currently offering a \$10 weekly box. The share may be collected at our farm stand at 6863 state route 41 Homer, or at one of our other locations below. Payment can be made weekly at collection, or monthly in advance.

One of our primary goals is to make local food affordable and accessible. Offering payment weekly rather than up front in full as other CSAs do is one way we make this happen. We do ask that if you choose a CSA share option, you honor your good-faith commitment by collecting your share and paying each week. This will make it possible for us to continue offering this option in the future!

If you would like to commit to a weekly CSA share, please fill out the form below and email it to us at wensleydalecottage@gmail.com.

Thank you for your support!
